Student's Notice

The department of Geography in collaboration with Eco-club of the college is planning to celebrate the Earth Day on 22nd April, 2022. The Earth Day 2022 Theme is 'Invest in Our Planet'. The aim is to realize the role and responsibility of individual, groups, government and business to protect and promote healthy environment. Today the three main essentials of our environment such as the air, the water and the soils or land need real attention and care. Globally, the concept of the national parks in protection and promotion of forests and wildlife is doing well. Let's play our role and responsibility to sensitize our students to treat and care air, water and soils as living being.

In this direction following activities will be organized. Interested students can participate in it.

3. Tree Plantation
4. College Beautification
