Subject:

Training for All Under "Mission Karmayogi Haryana".

Dear Sir,

This is with reference to letter no. 30/03/2023-3Trg. dated 04.11.2023. of Chief Secretary, Govt. of Haryana regarding Mission Karmayogi Haryana- Ethics & Values in Governance.

As you are aware, the Government of Haryana has initiated an ethics training program titled 'Mission Karmayogi Haryana' for all state employees. This program is designed to provide a comprehensive one-day training on ethics to enhance the moral and ethical standards of our workforce.

It is also pertinent to bring to your attention that as per the tender document of the project under 'Mission Karmayogi Haryana', the project is scheduled to be completed by 30th June, 2024. Therefore it is crucial to complete the training for all employees by the conclusion date of the project. This deadline must be adhered to in order to ensure that your department complies with the directives of Government of Haryana to complete the training of all the employees of your department under 'Mission Karmayogi Haryana'.

It is also intimated the Officers/Officials from the Department of Higher Education, Haryana were not deputed for the training earlier so that the educational session and the exams are not disturbed. Now as the project is scheduled to end on 30.06.2024 and it is important to cover all the regular employees of the Government of Haryana. Therefore you are requested to depute the Officers/Officials from your department for the one day training program as per the list annexed. However if there is any repetition of names, regular employees who have already received training under Mission Karmayogi Haryana, shall not be considered for further training. Regular employees whose names are not on the list and have not been trained so far, can be included, as the MKH training is for all.

As per discussion with the Director, SCERT, this training of one day "Mission Karmayogi Haryana" will be conducted at District Institute of Education & Training of each district. We kindly request you to direct the yet to be trained employees from your department to attend the one day training at the DIETs of their respective districts as per the schedule so that the project can be completed successfully. Stationery for the same will be provided by HIPA as per requirement.

We appreciate your cooperation in this important initiative and look forward to your prompt action in this matter. In case of any further assistance or any queries, please do not hesitate to contact us at rekhad@hipa.in.

Thank you for your attention to this matter, which may be treated on priority.

Yours sincerely,
