Report
“Career Counselling Session”

11.9.2025

The Placement Cell of the college organised a “**Career Counselling Session**” on 11 September 2025 under the able guidance of worthy Principal Dr Khushila. The event featured two eminent resource persons Mr. Anukool Bhatnagar, Retired Chief General Manager of SBI, and Capt. Rajesh Trehan, Retired Merchant Navy Captain each bringing a wealth of experience and insight to the gathering. Total 106 students attended the event. Both experts shared their valuable insights, experiences, and guidance related to career development, decision-making, and professional growth with stories and practical advice, encouraging students to build strong foundational skills and explore opportunities in the finance sector. The session was well-received by the students, who found the content to be highly informative and motivating. Many attendees expressed their appreciation for the practical advice shared by Mr. Anukool Bhatnagar, and Capt. Rajesh Trehan, particularly the interactive nature of the session and their willingness to address individual queries. Students left the session feeling more confident about their future career paths and equipped with actionable strategies to enhance their professional development. The event was well-coordinated by the Placement Cell convenor Dr. Madhu, members, Ms Jyoti, Berwal, Dr Neelima, Ms. Teena ensuring successful execution.

Activity Report: Extension Lectures

29.9.2025

The Placement Cell and Commerce Dept. of Govt. P.G. College for Women, Sector-14, Panchkula under able guidance of Principal Dr. Khushila organized two extension lectures on 29th September 2025, aimed at preparing students for various competitive examinations. The sessions were conducted by Mr. Harvinder Singh and Mr. Navneet, experts from Grace IAS Academy, Sector 32, Chandigarh. A total of 94 students from diverse academic streams actively participated in the event. The first session focused on preparation strategies for competitive exams such as CET, SSC, CGL, HCS, etc. The speakers highlighted the importance of a structured study plan, time management, and consistent practice with mock tests. They also provided insights into exam patterns, syllabus breakdown, and essential resources. The second lecture addressed how to read the newspaper effectively for competitive exams. Students were guided on identifying relevant news articles, focusing on editorials, and making concise notes for current affairs, especially for General Studies and interview rounds. Emphasis was placed on reading with a purpose and building analytical skills. The sessions were highly informative and motivational, equipping students with practical tools and techniques to enhance their exam preparedness. The event concluded with an interactive Q&A session, making it a highly enriching experience for all attendees. Ms. Sushila HOD Commerce dept., Dr. Madhu convenor placement cell, Dr. Isha Goyal and Ms. Latika organized the sessions.

Report
Three-Day Workshop on UGC-NET Preparation
29th to 31st October 2025

The Placement Cell and the Department of Commerce of Government P.G. College for Women, Sector-14, Panchkula under the able guidance of Principal Dr. Khushila organized a three-day workshop on UGC-NET Preparation in collaboration with Competition Guru Institute, Sector-11, Panchkula. The workshop was conducted with the objective of equipping postgraduate students with essential guidance and strategies to excel in the UGC-NET and CSIR examinations, as well as to create awareness regarding various career opportunities in academia and other sectors. The resource person, Mr. Prakash, Director of Competition Guru Institute, along with other esteemed faculty members of the institute, conducted comprehensive and interactive sessions over the three days. The resource team discussed the exam pattern, syllabus structure, and preparation techniques for the UGC-NET and CSIR examinations. Special sessions were also held on Mathematics, Reasoning, and English, wherein students were introduced to important concepts, problem-solving techniques, and time management skills. Additionally, career-oriented discussions provided valuable insights into professional avenues available after qualifying the UGC-NET and CSIR examinations. The workshop witnessed active participation from 58 postgraduate students and 11 UG students (Total participants 69), who benefited greatly from the detailed explanations, practice exercises, and expert guidance provided by the speakers. The sessions were highly informative, enriching, and motivational, enabling students to plan their preparation in a more structured and confident manner. Ms. Shushila (HOD Commerce), Dr. Sudesh Kharb, Dr. Madhu, Dr. Isha Goyal and Ms. Priyanka were also present during the workshop. The event concluded with a formal vote of thanks extended to the resource persons and organizing committee for their dedicated efforts in conducting a productive and insightful workshop.

Report
Extension Lectures
Dated 28.01.2026

Two extension lectures were organized by the Placement Cell of the college on 28.01.2026 to enhance students' awareness about entrepreneurship and innovation. Dr. Ankit Sati (researcher and practitioner in rural technology and higher education engagement) delivered these lectures; he was accompanied by Mr. Pankaj Kohli (Manager Medha Learning Foundation). The first lecture was on **"Entrepreneurship Opportunities and Enterprise Pathways for Students."** The speaker explained various career opportunities in entrepreneurship and encouraged students to become job creators rather than job seekers. He highlighted the importance of skill development, start-ups, small businesses, and government schemes for young entrepreneurs. Students were motivated to identify their interests and transform their ideas into successful ventures. Real-life examples were shared to inspire confidence and determination. The second lecture on **"Role of Higher Education in Fostering Innovation and Enterprise."** speaker emphasized the role of educational institutions in promoting creativity, research, and innovative thinking. He discussed how colleges and universities support students through incubation centers, training programs, workshops, and mentorship. He also highlighted the important role of teachers in guiding students towards entrepreneurship and self-employment. Both lectures were informative and motivational. They helped students understand the importance of innovation, enterprise, and self-reliance in today's competitive world. The program successfully encouraged students to develop entrepreneurial skills and work towards a bright and independent future. Total 44 students from different streams were benefitted from the session. Dr. Madhu, Dr. Sudesh Kharb, Dr. Isha Goyal and all the members of placement cell were present.

Report
Extension Lecture
Dated 29.01.2026

An extension lecture was organized by the Placement Cell and Commerce Department of the college in collaboration with the District Employment Office, Panchkula to create awareness among students about career opportunities and government schemes. The resource person Ms. Savita Lamba (District Employment Officer) and Ms. Kavita Joshi (Assistant Employment Officer) from the District Employment Office explained various employment opportunities available in the public and private sectors. Students were informed about the importance of registering with the Employment Office to receive timely information about job vacancies, competitive examinations, and skill development programs. The speaker guided students on the online and offline process of enrollment and highlighted its benefits for career growth. Special emphasis was laid on the various schemes offered by the Haryana Government for unemployed youth, women, and fresh graduates. These schemes include skill training programs, self-employment assistance, apprenticeship opportunities, and financial support for starting small businesses. The speaker encouraged students to take advantage of these schemes to enhance their employability. The lecture was highly informative and interactive. It helped students gain practical knowledge about career planning and government support systems. Overall, the session proved to be beneficial in guiding students towards better employment opportunities and a secure future. Total 64 Students from department of commerce benefitted from the session. Ms. Shushila (HOD Commerce), Dr. Sudesh Kharb and Dr. Madhu (In-Charge placement Cell) and Ms. Latika were present during the session.

Session on Internship Opportunities

26.02.2026

Placement/Internship Cell of Govt. P.G. College for Women, Sector-14, Panchkula, under the patronage of Principal Dr. Khushila organised “Session on Internship Opportunities” on 26.02.26 in collaboration with IBM SkillsBuild Country Partner-CSRBOX Foundation. The resource person for the session was MS. Reetu Thakur (Manager, CSR). This initiative is an important step toward empowering adult learners and job-seeking youth with 21st-century digital skills. During the session, participants were provided detailed information about various internship/courses available on the IBM SkillsBuild platform, including Agile Methodology – Foundations, Advanced, and Explorer, as well as Artificial Intelligence – Foundations. It was explained that these courses equip participants with practical knowledge and skills aligned with the requirements of the modern workplace. The session also included a detailed discussion on different types of Artificial Intelligence (AI)—Narrow AI, General AI, and Super AI. The main objective of the program is to connect participants with free digital learning resources and make them employable through certified courses. IBM SkillsBuild is a global initiative that provides learners with online courses, digital badges, and certificates to help them develop technical and professional skills. Ms. Reetu Thakur enrolled participants on SkillsBuild platform during the session. Total 131 participants were benefitted from the session and they appreciated this initiative and described it as highly useful for career development. Dr. Madhu, Dr. Seema, Dr. Jyoti Berwal and Ms. Pooja Girhotra were present during the session.
