Government Post Graduate College for Women
Sector-14, Panchkula

REPORT OF ANNUAL ACTIVITIES

SESSION (2025-26)

ANNUAL ACTIVITIES REPORT 2025-26

GCW SECTOR-14, PANCHKULA HARYANA

Government Post Graduate College for Women, Sector-14, Panchkula established in July 2007, Government Post Graduate College for Women, Sector-14, Panchkula, is a premier institution of higher education affiliated with Kurukshetra University, Kurukshetra. Nestled in a picturesque 13.13-acre green campus, the college was founded with the vision of extending the horizons of quality higher education while fostering academic excellence, innovation, and holistic development.

The institution is dedicated to creating a dynamic and learner-centric academic environment that seamlessly integrates traditional values with contemporary educational practices. Emphasizing innovation, interdisciplinary learning, and digital empowerment, the college equips students with the knowledge, skills, and competencies required to excel in an ever-evolving global landscape. Its educational philosophy is rooted in nurturing intellectual growth, ethical values, and social consciousness, thereby preparing students to become responsible citizens and lifelong learners.

The college upholds six guiding values—**Respect, Responsibility, Resilience, Integrity, Care, and Harmony**—which form the cornerstone of its academic culture and institutional ethos. These principles inspire students to cultivate discipline, compassion, leadership, and integrity in every sphere of life.

Beyond academics, the college places significant emphasis on the overall development of its students through active participation in cultural events, environmental conservation initiatives, community outreach programmes, and activities promoting India's rich cultural heritage. Such experiences encourage civic responsibility, creativity, teamwork, and leadership.

The institution offers a broad spectrum of undergraduate and postgraduate programmes across diverse disciplines. Undergraduate courses are available in Humanities, Commerce, Life Sciences, Physical Sciences, Home Science, Business Administration, Computer Applications, Economics (Honours), Commerce (Honours), and Chemistry (Honours). At the postgraduate

level, the college offers programmes in Home Science, Commerce, English, Zoology, and Mathematics, catering to the varied academic aspirations of students.

With an enrolment of **1638 students**, the college has consistently witnessed steady academic growth. This progress reflects the unwavering commitment and dedicated efforts of its experienced faculty members and extension lecturers, who strive to maintain high standards of teaching, mentoring, and student support.

To foster holistic personality development, the college has established a vibrant network of committees, clubs, cells, and subject societies that provide students with ample opportunities to enhance their leadership abilities, communication skills, creativity, and professional competence. These platforms encourage self-confidence, teamwork, innovation, and a spirit of lifelong learning.

Throughout the academic session, students enthusiastically participate in a wide array of academic, literary, cultural, sports, and extension activities at the intra-college, inter-college, state, national, and international levels. Such engagements enrich their educational journey, promote experiential learning, and prepare them to contribute meaningfully to society while excelling in their chosen careers.

Committed to continuous improvement and excellence, Government Post Graduate College for Women, Panchkula, continues to evolve as a vibrant center of higher learning, empowering young women with the knowledge, values, and confidence needed to shape a progressive and inclusive future.

Administration-Overall administration of the entire institution ran smoothly, efficiently and diligently by Dr. Khushila, principal of the college.

College Office-Miscellaneous work related to office are dispensed by a team of non-teaching staff members namely Mrs Monika, Mr Amit, Mrs Sushila Nain,Mrs Anita,Mr. Oshan Rathee.

Bursar- All the financial matters like utilization of grants as per rule, checking and clearing of salary bills etc are managed properly by Dr Isha Goyal, Associate Professor in commerce.

The UGC cell is a statutory body established in the college to implement various schemes of UGC.

- **INTERNAL QUALITY ASSURANCE CELL (IQAC):**

Incharge: - Dr. Vinay Yadav- Associate Professor, Department of Geography

An Internal Quality Assurance Cell has been established in our institution as per guidelines of NAAC as a quality enhancement and sustenance measure to ensure quality as an integral part of the functioning of the institution and to meet the diverse needs of all the stakeholders. The cell coordinates with all the administrative and academic committees and cells of the college to conduct quality related activities. It works consistently and consciously towards the improvement in the overall performance of the institution. The college got accredited for the third cycle in August 2021 and received B++ grade.

- **RUSA**

Incharge: -Dr. Sudesh Kharab, Associate Professor, Department of Commerce

University work:- All kind of University related matters and correspondence is supervised and managed by Mrs Geeta Bhatia Department of commerce with a proper and balanced coordination of team members. The University Cell also render internal and external examinations under the supervision and direction of university with due compliance of instructions and notification released by Kurukshetra University Kurukshetra.

Library:- To instill a habit of self-study and extra knowledge beyond prescription of syllabus, the college has a well-equipped Library with its own digital lounge with 5 computers and printer. Around 9686 books & 3164309 e-books on various subject including books of placement cell and woman studies and empowerment cell are the most valuable assets of our institution. The library provides a sufficient supply of newspapers, magazine, periodical, e-journals (6150), university publications and reference books.

Language lab:- The College has set up an English Language Laboratory equipped with teaching software provided by the Department of Education, Haryana, and supported with LAN networking. The lab consists of 26 computers and can accommodate 25 students at a time. Its primary objective is to enhance digital communication skills, strengthen employability, and improve students' proficiency in advanced communicative English. Instructor, Mrs. Neha, manages the lab with latest update.

Computer lab:- In today's education system, acquiring fundamental knowledge of computer education is essential. To meet this need, the College has established four fully equipped computer laboratories with 143 computers, along with a dedicated IT Lab for Commerce comprising 12 computers. All labs are managed by the Departments of Computer Science and Commerce and are equipped with LAN networking and internet connectivity.

➢ IDP (Institutional Development Plan) and CSR Contribution

- The IDP Cell of Government P.G. College for Women, Sector-14, Panchkula provided financial assistance to deserving and needy students through fee reimbursement support sponsored by Late Sh. Purushottam Dass Rungta Charitable Trust, Sector-2, Panchkula in October 2025.
- A total of 14 students from various undergraduate and postgraduate courses benefitted from this initiative. The total amount of fee refund distributed among the students was ₹73,044 (Rupees Seventy-Three Thousand Forty-Four only).
- The initiative greatly supported economically weaker students and reflected the institution's commitment towards inclusive and student-centric education.

➢ NEP COMMITTEE

The institution implemented the National Education Policy (NEP) under the supervision of Kurukshetra University, Kurukshetra, during the academic session 2023–24. The institution adopted a student-centric and multidisciplinary approach to learning, promoting flexibility, innovation, and skill development. Emphasis was placed on experiential learning, value-based education, and the integration of technology into the teaching-learning process.
