DEPARTMENT OF HIGHER EDUCATION HARYANA

**17<sup>th</sup> JANUARY 2026**

**Organized By  
NEP COMMITTEE  
in collaboration with  
IQAC**

**About the Seminar:** Education is an important pillar of any society, aimed to achieve full human potential and develop an equitable society for its contribution in national development. The new National Education Policy-2020 (NEP-2020) envisions bringing about significant reforms in higher education to cater to the changing landscape of knowledge and create global standards of education.

The global education development agenda reflected in the Goal 4 (SDG4) of the 2030 Agenda for Sustainable Development, adopted by India in 2015 - seeks to “ensure inclusive and equitable quality education and promote lifelong learning opportunities for all” by 2030.

Gross Enrolment Ratio:

**The Gross Enrollment Ratio (GER)** is a key indicator used to measure the extent of participation in higher education within a given population. The New Education Policy (NEP) 2020 in India aims to enhance the GER in higher education through various reforms and strategies. This seminar will explore the concept of GER, its importance, and the specific measures proposed by NEP 2020 to improve it, while also discussing the potential challenges and implications of these measures. Gross Enrollment Ratio (GER) refers to the total number of students enrolled in higher education institutions as a percentage of the eligible age group population.

#### **Objectives of seminar:**

- To emphasize collaborative teaching and learning strategies that enhances student enrollment and participation in higher education.
- To strengthen institutional mechanisms that expand equitable access and progression aimed to raise Gross Enrollment Ratio.
