D.O No. Secy. (P.S.E.D.) 2021/110

Principal Secretary to Govt. Haryana  
Citizen Resources Information Department,  
Chandigarh, India.

Dated : 25-02-2021

Dear Sir,

Parivar Pechan Patra is a flagship project of the Government of Haryana. It aims to issue a unique 8 digit PPP ID to each family in the State and attach core and socio-economic attributes to the family ID which are relevant and useful in providing Government schemes, services and benefits. The PPP ID is to be made mandatory for all existing government schemes, services and benefits.

It has been desired that the data updation process in PPP may be completed at the earliest. One of the categories of citizens whose data is to be updated in PPP is a regular employee of Government of Haryana whose data is available on HRMS. On analysis of the PPP database, it has been observed that 1,526 employees of your department have not updated their PPP data. The list is enclosed.

You are requested to kindly instruct these employees to ensure that their PPP ID is updated at the earliest preferably by 5<sup>th</sup> March, 2021. Your cooperation and support in this regard shall be deeply appreciated.

With regards

Yours sincerely,

Umashankar  
(V.Umashankar)

Shri Anand Mohan Sharan, IAS,  
Principal Secretary to Govt. Haryana,  
Higher Education Department,  
Chandigarh.

## **4. FAMILY DATA UPDATING/EDITING IN PPP**

**The data updation on PPP can be done in accordance with some pre-defined rules. The following rules apply for the government employees:**

- a. The employee shall select the “State Government Employee” value in the Engagement dropdown. Once selected, the details of the annual income and date of birth of the employee is updated on the form as per the values stored against the employee Aadhar number or payee code in HRMS. While the employee shall not be able to edit the date of birth details, the income details shall be editable. However, any amount less than the employee annual income (as received from HRMS) shall not be allowed
- b. In case there are more than one Government employees in the family, the data of the additional employee(s) in family shall be fetched using the Aadhar number of the employee. Hence, for families with more than one government employee, it is recommended to have the correct Aadhar number of the employee(s) updated in HRMS to enable PPP to fetch accurate information regarding the respective members.

E. Screen to edit/update family details is shown with pre-filled details of the family. A pre-filled form is opened. Employee shall fill in the required information which he wants to update/edit for each member and submits.
